Terms and Conditions

Our watchmakers will examine the watch on the base of your claim and determine what needs to be done. During the warranty period, and upon proof of purchase, your watch will be repaired at no charge. In order for the warranty to be honored, the watch must have been purchased at an authorized retailer.

We will not provide any warranty service:

- For normal wear and tear due to normal use (e.g. scratches on the metallic surface)
- For damage while in the possession of the consumer, not resulting from a manufacturing defect (including -- but not limited to -- improper care and improper storage of the watch)
- For damage caused by tampering with or opening the watch, or other than normal or reasonable use
- For damage caused by repairs or alterations performed anywhere other than an authorized service center
- Due to theft or loss
- For damage caused by natural causes beyond our control

The warranty does not cover rubber bands, leather straps, bracelets, buckles/clasps and crystals. Warranty covers manufacturing defects only, and does not include maintenance, such as changing batteries, ensuring water resistance, and all other services other than replacement of defective warranted parts. To ensure water resistance, gaskets should be replaced every 12 months as part of maintenance.

Insurance and shipping are the owner's responsibility. Watches repaired under warranty are also subjected to insurance and shipping charges (please see attached form for shipping and insurance options). In case the watch is not covered under warranty or the warranty has expired, we will contact you with an estimate and you will decide whether or not to accept the estimate.

Our shipping address is:

Gevril Group
Attn: Service Department
9 Pinecrest Road
Valley Cottage, NY 10989
USA

If work is to be done under warranty, include proof of purchase. If we don't receive a proof of purchase, the watch cannot be serviced under the warranty and will automatically be submitted for an estimate.

Please be sure to print your full name, return address, contact information and a written explanation of the problem(s) you are experiencing on the enclosed Repair Form.

NO HAND DELIVERIES ACCEPTED AT OUR LOCATION FOR SECURITY AND INSURANCE PURPOSES.

Please do not include your original watch box (or any other special box) when sending your watch for service. The boxes will not be returned.

Please let us know if we can assist you with anything else.
